CHILD SAFETY TRAINING FOR ABUSE PREVENTION

Every volunteer screened. Every volunteer trained.

Protect My Ministry believes so strongly in the value of child abuse prevention training, that for every background check you order, you will receive a complimentary Child Safety Training course.

Annual group training is no longer enough! Volunteers need training before they serve!

Through Ministry Mobilizer the online training can be done 24/7 at the convenience of your volunteer. The Child Safety Training course is a 90-minute online video divided into 8 interactive sections. The volunteer is provided a link to access the video and after viewing, is directed to answer a 25 question quiz that certifies they have viewed and understand all the material covered.

Why conduct child safety training?

Experts estimate that less than 10% of child abusers are criminally prosecuted.

- 1 out of 5 girls is sexually abused before age 12 and 1 of 4 before 18
- 1 out of 8 boys is sexually abused before age 12 and 1 of 6 before 18
- 90% of registered sex offenders claim to be "religious" or "very religious"
